### **LANE CLOSURE SOUTHBOUND SOUTH ROCKFORD AVENUE AT EAST STATE STREET**

As part of the City-Wide Sidewalk & ADA Repairs Package A-2013, new accessible ramps are being installed at the southwest corner of the intersection between South Rockford Avenue and East State Street. In order to maintain a safety zone for pedestrians, construction workers, and vehicles, the southbound lane of South Rockford at East State Street will be closed Wednesday, June 5, 2013 in the afternoon, and Thursday, June 6, 2013 the whole day during construction operations.

Drivers are reminded to obey work zone speed limits and to stay alert for workers when driving through the construction zone.
